# Bishop's Message

May 27, 2018

Dear Friends,

In the past months, there has been much attention on the federal government's refusal to provide summer jobs funding to organizations who will not attest to their support for, among other things, the right to abortion. Much has been said already of the many ways this policy is wrong and dangerous. There is the simple and unavoidable fact – which seems lost on the Prime Minister and the federal government - that abortion rights are, in fact, nowhere to be found in the Charter. There is also the sad irony that the Charter actually does guarantee the rights of conscience, religion, thought, belief, and opinion – protections designed to defend against the very type of government intrusion on display here. Many have pointed, rightly, to the profound danger of attempts to demonize and punish beliefs contrary to those the government deems acceptable.

What has received less attention is the practical outcome of this decision, which will be experienced most poignantly by those who rely on the programs that will not operate without this funding. An example here is illustrative. Since the early 1940's, Camp Brebeuf in Rockwood, Ontario, has welcomed children to experience the outdoors, meet new friends, gain valuable life and leadership lessons, and grow in their faith and service of others. More recently, Camp Marydale also follows this proud tradition. This Camp is known especially for their "one-to-one" program, which offers children with spina bifida, cerebral palsy, scoliosis, downs syndrome, autism, and hearing, visual and various other challenges the chance to experience summer camp like other children. Having seen the faces of these children at camp, having heard their laughter and joyful screams, and having listened to the moving testimony of their families and caregivers, it is clear that the dignity afforded by an experience away at camp makes a profound and lasting difference in their lives.

However, the federal government's insistence on this ideological test for summer jobs funding has put these programs, and many others, at risk. Imagine a disabled child being told they will not be going to summer camp – all because the government cannot abide that some dare to believe that life is worthy of defense at all stages.

We do not believe that those who rely on these programs should suffer because of the government's decision. To this end, I am calling for a special collection to be taken up in each of our parishes on **Sunday, June 3**. The funds raised from this collection will be distributed to Catholic charities whose programs are at risk as a result of their inability to attest to what the government demands.

The Church's history provides us a litany of witnesses who have held to our faith in the face of political pressure. From the Christians of the early Church in Rome, to St. Thomas More, to the Japanese martyrs, to Archbishop Oscar Romero in more recent times, attempting to force Christians to bow to political pressure is nothing new. Now as before, we will serve all those in need. But the only one to whom we will bow in the process is the one whose kingdom is not of this world.

Sincerely in Christ and Mary Immaculate,

*+Douglas Crosby, OMI*

**PARISH UPDATES**

**CORPUS CHRISTI PROCESSION:**

Sunday, June 3rd is the Solemnity of the Most Holy Body and Blood of Christ. To honour the feast, Holy Communion will be provided at all Masses under both forms, that is, the Body of Christ and His Precious Blood. Following the 11:00am Mass at the school there will be a Corpus Christi Procession. Weather permitting, we will walk from the school to the church. Weather not permitting, we will process inside the school. Either way, the CWL will be providing a reception. Please plan to join the festivities.

*Fr. Mark Morley*

**SAVE THE DATE Sunday, July 29th, 2018:**

Please join us for the 14th Annual Coulson Cup Golf Tournament hosted by our Knights of Columbus. This is one of the parishes largest fundraisers and biggest socials of the year where 60% of all the proceeds go directly back into the parish and 40% goes towards the Charitable good works for the KofC.

Please save the date and plan to attend! Further information will be provided next weekend. *Andrew Vince, Tournament Chairperson*

**PERPETUAL ADORATION:**

In honour of the feast of The Sacred Heart of Jesus on Friday June 8, there will be extended hours of Adoration , after the morning Mass until Benediction at 2:45 pm, prior to the pilgrim walk. Consider signing up for 1 of these hours, or just come in to spend some time in prayer. Thank you. *Dr. Jane Hosdil*

**SENIORS' PROGRAM:** For the last ten years, parishioners Noel Brett, John Bino and Lorna Hawkins have faithfully supported our seniors' program taking turns leading a sing-a-long after lunch on the last Friday of each month. For this support we are very grateful but, because circumstances change, they can no longer help. If you are interested and have an hour to spare at noon on the last Friday of the month, please call Bryan or Carole at 519 856 4844 or e-mail me at [bryano@safetyonecanada.com](mailto:bryano@safetyonecanada.com).

*Bryan Onion*

**SUMMER MAINTENANCE:** Do you like working in the fresh air? The maintenance ministry is in need of your talents and help. We need help to clean up weeds and water the plants around our church. This job will only require your talents one week a month from May to September. If you are interested, please get in touch with Alfred Grech at 519 856 2036 to join a very enthusiastic team. *Alfred Grech*

**FROM THE DIOCESE OF HAMILTON**

His Excellency Bishop Crosby recently announced a planning study, which is now under way, to help the Diocese evaluate the merits of a Diocesan capital campaign. This campaign will involve each of our Parishes. The proposed goals focus centrally on Parish life, but will also help enhance several Diocesan ministries important to parishioners. The Diocese wants to hear from as many parishioners as possible as they evaluate their proposed campaign plan. Your feedback will be critical to the success of this effort. Further details of the proposed goals of the campaign and opportunities for you to give feedback will be shared in the coming weeks.
